REQUEST TO ENTER JULY 26, 2001 AMENDMENT

Commissioner for Patents Washington, D.C. 20231

RECEIVED

OCT 2 2001

Dear Sir:

TC 1700

The July 26, 2001 Amendment corrected a single word, raised no new issue, avoided new matter, and was in form to enter under Rule 116. Yet the Amendment was not entered. It is suggested that the Amendment be entered for purposes of appeal Favorable action would be greatly appreciated.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
